

## Mission Statement

*The San Francisco Housing Action Coalition advocates for the creation of well-designed, well-located housing, at ALL levels of affordability, to meet the needs of San Franciscans, present and future.*

## Goals

- Increase housing opportunities for San Franciscans of all income levels.
- Preserve the city's existing housing stock and boost the amount of new housing that is produced each year.
- Use well-designed housing to preserve and enhance neighborhood livability and character.
- Make housing more affordable for both renters and buyers.
- Promote a range of housing types that serves the diverse needs of San Francisco's residents.
- Create or enhance pedestrian and transit-friendly neighborhoods.
- Make more efficient use of under-utilized land.
- Improve the jobs/housing balance to reduce commute time and traffic.
- Enhance neighborhood commercial vitality by adding housing in or near neighborhood commercial areas.
- Reduce suburban sprawl by channeling growth into urban cores and inner suburbs and away from the region's greenbelt.
- Collaborate with organizations that share our mission in other counties around the Bay Area.
